SETTLEMENT AGREEMENT

BETWEEN

SHEFA LMV, INC.

AND

TOLCO CORPORATION

Shefa LMV, INC. (“Shefa” or “Plaintiff”) and Tolco Corporation (“Tolco” or “Defendant”), collectively referred to as the “Parties,” enter into this agreement (“Settlement Agreement”) solely for the purpose of avoiding prolonged and costly litigation to settle Shefa’s allegations that Tolco and certain Downstream Releasees, as defined below, violated the California Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code §25249.6 et seq. (“Proposition 65”). The effective date of this Settlement Agreement shall be the date upon which it is fully executed by all Parties hereto (the “Effective Date”).

1.0 Introduction

1.1 Shefa is a California-based entity that seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products.

1.2 Shefa alleges that Tolco manufactures, imports, sells, and/or distributes for sale in the State of California, travel kit plastic bags that contain the listed chemical Diisononyl Phthalate (“DINP”) without first providing a clear and reasonable warning as required by Proposition 65.

1.3 The products covered by this Settlement Agreement are travel kit plastic bags manufactured by or for Defendant, imported by or for Defendant, or distributed or sold by or for

///

Defendant, including, but not limited to, the plastic bags containing the 4 Play Or Travel TSA-Approved 4 Clear 3-Oz Bottles; UPC: 022169700447 (the "Covered Product").

1.4 DINP is referred to hereafter as the "Listed Chemical"

1.5 On or about December 21, 2017, Shefa served Defendant, as well as certain relevant public enforcement agencies with a document entitled "60-Day Notice Of Violation" ("Notice") advising of its intent to sue for alleged violations of Proposition 65 arising from or related to Covered Products containing the Listed Chemical.

1.6 The Notice alleged that Defendant violated Proposition 65 by failing to warn consumers in California that use of Covered Product allegedly exposed users to the Listed Chemical.

1.7 To the best of the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting the same allegations against Defendant.

1.8 Tolco denies the material factual and legal allegations contained in the Notice, and maintains that all of the products it has sold and distributed in California, including the Covered Products, are and have been in compliance with all laws, including Proposition 65, and are completely safe for their intended use.

1.9 The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as alleged in the Notice and as set forth below concerning the Parties' and the Covered Products' compliance with Proposition 65 (the "Dispute").

1.10 By execution of this Settlement Agreement, the Parties do not admit any facts or conclusions of law, including, but not limited to, any facts or conclusions of law regarding any alleged violation of Proposition 65, or any other statutory, regulatory, common law, or equitable

doctrine. Nothing in this Settlement Agreement shall be construed as an admission against interest, by any Party, of any alleged fact, conclusion of law, issue of law, or violation of law.

1.11 Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission against interest or evidence of fault, wrongdoing, or liability, by Tolco, its officers, directors, employees, parents, subsidiaries, affiliated corporations, or any person acting for Defendant, any direct or indirect customer of Tolco who sold or sells Covered Products, and/or any Downstream Releasees, as defined below, in any administrative or judicial proceeding or litigation in any court, agency, or forum.

1.12 Except for the allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that Shefa or Defendant may have against one another in any other legal proceeding as to allegations unrelated to the Dispute or claims released herein.

2.0 Release

2.1 This Settlement Agreement is a full, final, and binding resolution between Shefa, individually and *not* in its representative capacity, and: (a) Defendant, and its owners, parents, subsidiaries, affiliates, sister and related companies, employees, suppliers, licensors, licensees, brands, shareholders, members, officers, directors, insurers, agents, attorneys, predecessors, successors, and assigns (collectively, "Releasees"); and (b) all entities to whom Releasees directly or indirectly have provided, distributed, or sold Covered Products, including but not limited to distributors, wholesalers, customers, retailers, franchisees, cooperative members, and licensees, including but not limited to Candy's Beauty Supply LLC, and their respective attorneys, officers,

directors, employees, agents, contractors, subcontractors, predecessors, successors, assigns, subsidiaries, parent(s) and affiliated companies (and each of the officers, directors, legal representatives, insurers, and assigns thereof) (collectively, "Downstream Releasees"), of any violation(s) or alleged violation(s) of Proposition 65, or any other statutory or common law claim that has been, could have been, or may in the future be asserted against the Releasees and/or Downstream Releasees regarding exposures to the Listed Chemical and/or the failure to warn about exposures to the Listed Chemical arising in connection with Covered Products manufactured, shipped, and/or otherwise distributed prior to the Effective Date, even if sold by Downstream Releasees after the Effective Date.

2.2 Shefa, on behalf of its past and current agents, representatives, attorneys, successors, and/or assignees, but not in its capacity as a representative of the general public, hereby waives and releases with respect to the Covered Products all rights to institute or participate in, directly or indirectly, any form of legal action, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys' fees) (collectively the "Claims"), against Releasees and/or Downstream Releasees that arise under Proposition 65 or any other statutory or common law claims that were or could have been asserted in respect of any Covered Products manufactured, shipped, and/or otherwise distributed up to the Effective Date, including without limitation to the extent that such claims relate to Releasees' and/or Downstream Releasees' alleged exposure of persons to the Listed Chemical contained in the Covered Product or any failure by Releasees and Downstream Releasees to warn about exposures to the Listed Chemical contained in the Covered Product.

2.3 Shefa acknowledges that it is familiar with Section 1542 of the California Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Shefa, on behalf of itself and its past and current agents, representatives, attorneys, successors, and/or assignees, in its individual and not representative capacity, expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of, Civil Code § 1542, as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.

3.0 **Defendant's Duties**

3.1 Commencing on the Effective Date, Defendant shall only manufacture, distribute, and/ or sell or offer for sale in California, Covered Products that are Compliant Product. For purposes of this Settlement Agreement, "Compliant Product" is defined as those Covered Products that either: (a) contain the Listed Chemical in a concentration less than or equal to 1,000 parts per million ("ppm") (0.1%) when analyzed pursuant to a scientifically reliable application of U.S. Environmental Protection Agency testing methodologies 3580A and 8270C, or any other scientifically reliable methodology for determining the Listed Chemical content in a substance of the form of the Covered Product herein ("Reformulation Standard"); or (b) exhibiting a warning in compliance with Proposition 65 ("Compliant Warning"). Plaintiff agrees that no Proposition

///

65 warning is required for the Listed Chemical in Covered Products meeting the Reformulation Standard.

3.2 Whenever a clear and reasonable warning is required under Section 3.1 for Covered Products offered for sale in the State of California, it shall state one of the warnings described in Section 3.3 in such a manner as to make it reasonably likely to be read and understood by an ordinary consumer prior to or at the time of sale or purchase.

3.3 The Parties agree that any of the following warnings shall constitute a Compliant Warning for the Listed Chemical in the Covered Product:

Or:

⚠ **[California Proposition 65] WARNING:** Cancer - www.P65Warnings.ca.gov. This warning only applies to the bag/case.

In the event that Tolco has reason to believe that an additional Proposition 65-listed chemical may be present in the Covered Product, the warning shall state either:

⚠ **[California Proposition 65] WARNING:** This product can expose you to chemicals including DINP, which are known to the State of California to cause cancer, and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov. This warning only applies to the bag/case.

Or:

⚠ [California Proposition 65] WARNING: Cancer and
Reproductive Harm - www.P65Warnings.ca.gov.
This warning only applies to the bag/case.

Language in brackets for all warnings above is optional. The background of the warning triangle should be yellow, but can be white if yellow is not otherwise used on the product label.

3.5 If modifications or amendments to Proposition 65 or its regulations after the Effective Date are inconsistent with, or provide warning specifications or options different from the specifications in this Settlement Agreement, Defendant may modify the content and delivery methods of its warnings to conform to the modified or amended provisions of Proposition 65 or its regulations.
